

DFG Priority program 2244: "2D Materials – Physics of van der Waals [hetero]structures"

2nd Funding Period: Coordination Office

Coordination Office (Z-Project)

- Located at TU Dresden (Bergstraße 66c, 01069 Dresden)
- Coordination assistant: Florian Arnold (Ph.D. student at TU Dresden)
- Tasks and responsibilities:
 - Organization of events and workshops
 - Maintenance of the project website: 2dmp.tu-dresden.de
 - Promotion of collaborations in the SPP 2244
 - Administration of Ph.D. exchange and start-up funding
 - Outreach events: Girl's Day, Long Night of Science
 - Managing social media and virtual research environment
 - Administrative support of SPP researchers
- SPP Office is supported by the steering committee and the student representative

Inclusion and Equal Opportunity

- Promotion of female researchers:
 - Fostering applications of female researchers
 - Promoting female students in student assistant (SHK) program
 - Women's representative: Prof. Dr. Ursula Wurstbauer
- Family-friendly policies:
 - Childcare during conferences and workshops
 - Covering assistants/technicians during pregnancies
 - Home office equipment
- SPP-relevant communication in English for international participants
- Early career support: recruiting of talented master students
- Co-mentoring of Ph.D. students by a second PI

Events in the 2nd funding period

SPP-related workshops:

- Kick-off meeting (May 2024)
- Mid-term report colloquium (Autumn 2025)
- International conference (Spring 2026)

Summer schools:

- 2024: Advanced experimental & theoretical control of electronic states in matter (hosted by Thomas Weitz, Göttingen)
- 2025: Polaritons and spectroscopic methods (hosted by Patryk Kusch, Berlin)
- 2026: Satellite event of final workshop (t.b.d.)

Collaboration in the SPP

Ph.D. student and postdoc exchange program:

- Z-Project covers accommodation and travel costs
- Traveler pays local costs
- Exchange only available between groups associated with the SPP 2244
- Application process:
 - One-page description and cost estimation (template on website)
 - Send to Coordination Office for approval by Steering Committee
- Available funding: one exchange per PhD student in the SPP

Start-up funding:

- Allow young investigators to follow their research idea independent of the PI's SPP project
- Requires hosting PI, does not need to be PI of the SPP 2244
- Available funding: 65 000€, up to 20 000€ per applicant
- During 1st funding period, five projects were funded
- Call for proposals in 2nd and 3rd year

Steering Committee

Tasks:

- Prepare reports
- Review applications for Z-project funds
- Support workshop and summer school organization

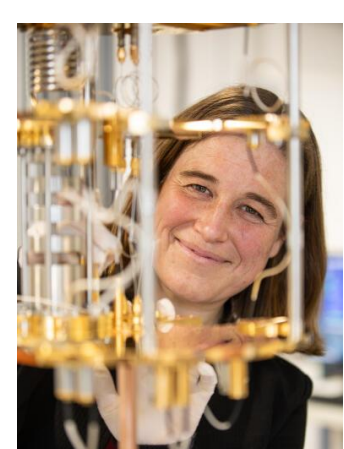

Jaroslav Fabian

Janina Maultzsch

Christoph Stampfer

Ursula Wurstbauer

Thomas Heine
(Coordinator)

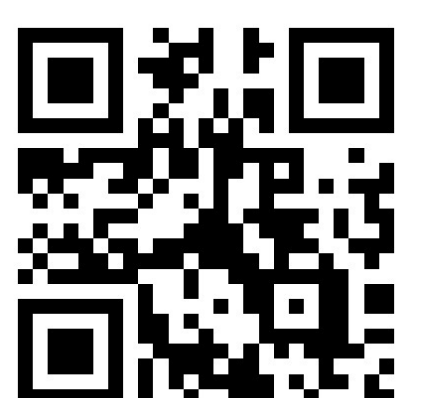

Website and social media

Project website:

- URL: 2dmp.tu-dresden.de
- Information on the priority program, events, projects, publications etc.

Social media presence:

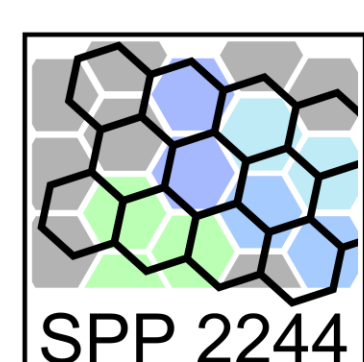

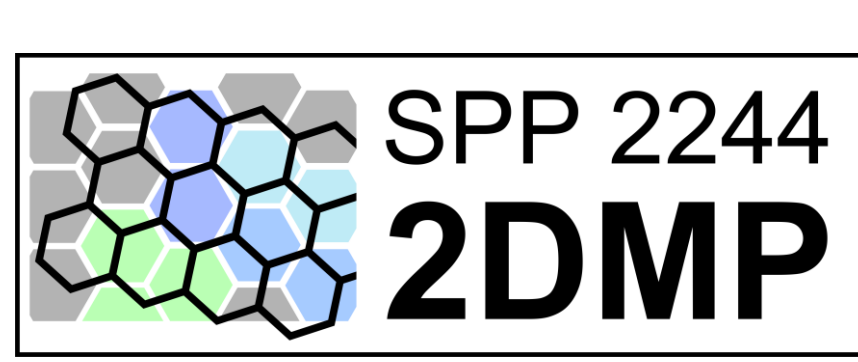

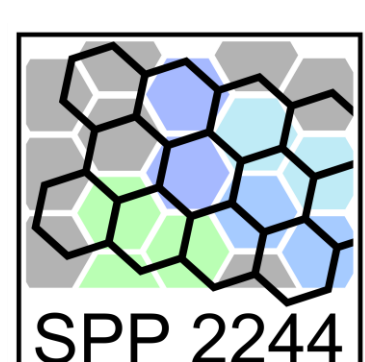

- Twitter account: [@2dmp_spp2244](https://twitter.com/2dmp_spp2244)
- To date no activity on other platforms planned

List of publications

Your role in the SPP

- Do excellent research
- Collaborate!
- Publish and acknowledge the SPP:
 - **This project has been funded by Deutsche Forschungsgemeinschaft within the Priority Program SPP 2244 "2DMP".**
 - Inform the SPP Office whenever you have a new paper published!
- Use our logo for posters and conference presentations (possible versions below)

2D Materials
Physics of
van der Waals
[hetero]structures

Final report after 2nd funding period:

- Virtual journal of research articles
- Articles must be open access and peer-reviewed
- Article done = reporting duty done

Budget

- Z-project budget: 459 200€
- Project funding: 7 Mio €
 - 21 funded projects
 - 3 associated projects (to date)
 - 45 total PIs

Main communication channels

- Public mailing list: 2dmp-SPP2244@groups.tu-dresden.de
⇒ Subscription link: <https://tud.link/866fyd>
- PI mailing list: spp2244-pi@groups.tu-dresden.de
- Coordination Office: dfg-spp2244@tu-dresden.de
